City's first Autonagar project at Mandakalli

MLA S.A. Ramdas performs ground-breaking ceremony; works planned on 10.10 acres of land at Rs. 4.5 crore

Mysuru, Feb. 19 (RK&BS)- Finally, the long-pending project of Autonagar — or Auto Servicing Cluster — got traction this morning with MLA S.A. Ramdas performing 'guddali puja' (ground-breaking ceremony) on the land bearing Survey numbers 64 and 65 at Mandakalli in the city outskirts, near Bandipalya on Mysuru-Nanjangud Road this morning.

The project will decongest the city and reduce pollution and is expected to rid the city of a number of automobile workshops (garages) which have even encroached upon roads and footpaths.

The first-ever Autonagar planned at 10.10 acres of land at an estimated cost of Rs. 4.5 crore is the brainchild of Ramdas proposed way back on Nov. 20, 2012. Mysuru Urban Development Authority (MUDA) received the approval to build the Autonagar on the said land on Nov. 26, 2012. Now, the tender has been awarded to a contractor to launch the works, according to MUDA Chairman Yashaswi S. Somashekar.

Ramdas told media persons, "The project will be a reality in another six months as the works are expected to start within a week. As the vehicle mechanics in the city were lacking adequate space to carry out their job, Autonagar was planned 10 years ago. However, the project failed to see the light of day, due to the prolonged Court disputes and other reasons."

The Autonagar has been planned at four places in the city to decongest the pressure on the heart of the city but the land for the remaining three places is yet to be identified, he added.

Actress Vidya Balan releases Mysuru-based author's book

Mumbai, Feb. 19 (Agencies)- Actress Vidya Balan said she disagreed with modern feminism which restricts women to a stereotypical image.

Vidya Balan was the chief guest at the launch event of Mysuru-based film critic and author Maithili Rao's book ***"The Millennial Woman in Bollywood: A New 'Brand'?"*** on Friday night at 'Title Waves', a book shop at Bandra in Mumbai.

In the book, brought out by Oxford University Press, Maithili Rao explores the shift in women's portrayal from victimised objects to strong, well-rounded heroines who can now be protagonists. Rao explains how contemporary cinema recognised this change and quietly infused power into its heroines while retaining the formulaic stories that audiences grew to love.

Actress Vidya Balan** (extreme right) **releasing the book "The Millennial Woman in Bollywood: A New 'Brand'?" of Mysuru-based author Maithili Rao** (centre) **in Mumbai on Friday evening. Mysuru Book Clubs Founder Shubha Sanjay Urs is also seen.

Speaking at the event, Vidya Balan said, "Why can't a strong woman, a feminist, have a partner, also wish to enjoy traditional things and also wish to take a step back? Why is the modern woman being used as a typical example of what every woman must be? Why is the modern woman being stereotyped? Why empowerment and wanting to live as you please need to be so exclusive."

She cited the example of her 2021 film 'Sherni' and said her character of Vidya Vincent took on the men without doing any 'chest-thumping'. "That's why I loved 'Sherni' so much. She took on these men, but in such a subdued manner, not needing to indulge in any chest-thumping. Why do we need to pigeonhole women in a certain way we wish to see them as empowered? Why can't women just be the way they wish rather than how we wish to see them in a modern feminist outlook?" the 44-year-old actor asked.

EDITOR'S BOTTOMLINE

While being honoured during her visit to the United States, a sick man in the audience made some perverted gestures to St. Mother Teresa of Kolkata. The enraged congregation immediately moved towards the man to dismiss him from the gathering. St. Mother Teresa, however, calmed the assembly and said graciously, "There, but for the grace of God, go I." This saintly lady was implying, "That could have been me, but for the grace of God." It is true that even the most virtuous among us are what they are purely because of the grace of God.

By nature, we humans are weak and fall easily to temptations. Left to ourselves, we are sinful. We tend to move away from truth and purity. We doubt God's goodness and His words. We are selfish and mean. We are flawed beyond words. Yet, when we let the grace of God flow into our lives, we are able to overcome our weaknesses. We are heartened and have become strong-willed. We grow into a certain maturity that inspires us to transform ourselves from our human nature to that of the divine nature. We sinful humans no longer need to live in sin. Agnostics can overcome their doubts, and the selfish can get over every self-seeking obsession. So then, what really is this grace? And why is it such an important factor in becoming virtuous and saintly? There are many explanations and definitions for grace.

In its simplest form, grace is the supernatural gift that God bestows on man. It comes to those who seek God, are willing to abide in Him, and are eager to keep His commandments. When we receive this gift, it changes our outlook and helps us see the world through the wisdom of God. All it takes to receive the gift of grace is our awareness and acceptance of this free grant given to us by God. *—Dorothy Victor in Deccan Herald*

CESC maintenance for 10 hours left consumers waiting for power

Sir,

On Feb. 4, 2023, the Chamundeshwari Electricity Supply Corporation (CESC) Limited stopped power supply from around 9.30 am to 7.30 pm for a whopping 10 hours for its periodic maintenance! This severely inconvenienced the residents of Dattagalli 3rd Stage and other localities in the city.

CESC had published the notice of disruption in power supply in local newspapers, planned due to maintenance works, a day in advance, but had specified that power supply will be restored within 6 pm. Despite that, there was no power till 7.30 pm.

I called the helpline '1912' and asked the Technical Director about the lapse and who will be held responsible for this which had affected lakhs of people. He promised to speak to the staff concerned and do the needful.

I was in USA for a few years and during my entire stay there, never did I experience a power cut even for a single time. I am sure even there, they carry out periodic maintenance, still they make sure that they supply uninterrupted power to their customers. If they can do it, what stops CESC from doing the same to avoid inconvenience to people? CESC can plan its maintenance during night time — like from 11 pm to 5 am, so that people don't get inconvenienced so much. I hope CESC responds responsibly in future.

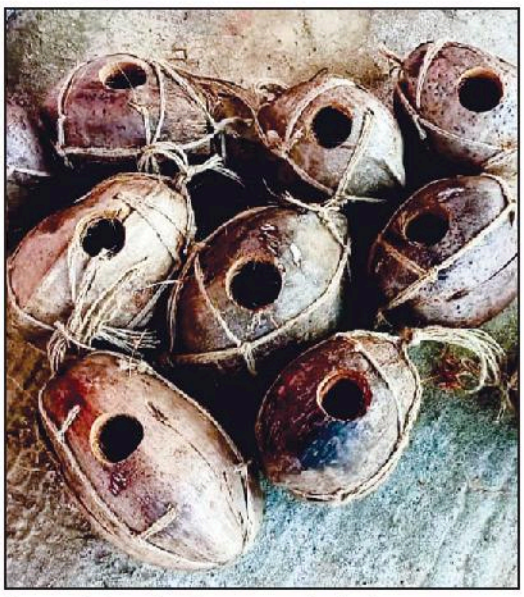
Mission Sparrow



There is no denying that there's an urgent need for increasing the awareness about birds, especially among the younger generation. Thankfully there's a very heartening development here in our city.

You may remember that the members of a little known organisation called the **Jeeva Daya Jain Charity,** comprising mostly ladies, has been conducting a spirited but quiet campaign to rejuvenate the fast dwindling house sparrow population in and around the city.

Star of Mysore has carried news about them and their activities in the past too a few times. They have been holding early morning public awareness meetings, especially near places where people go for their morning walks, like our Kukkarahalli and Karanji Lakes.

At these gatherings they have not only been spreading awareness about the urgent need to help the humble and once abundant house sparrow but also been giving away eco-friendly nesting boxes and even bird feed, free of cost to anyone interested in helping this tiny denizen that is fast exiting our cities, perhaps for want of proper nesting places, thanks to the design of our modern buildings.

Having done this good deed, now, instead of just giving away these nesting boxes to a good many people who may just be eagerly collecting them because they have been free hand-outs and then only tossing them away in their car garages, without putting them to proper use, some sparrow campaigners have decided to give them only to members of the public who are really interested in participating in their mission.

So if anyone is interested in joining hands with them, they may please send a *WhatsApp* message to +91 94490 66118 and await a response, which will come surprisingly fast. But no disturbing voice calls please!

Mahashivaratri celebrated with fervour

Shiva Temples draw devotees in hordes throughout the day; 'jagarane' marks fulcrum of fest

Mysuru, Feb. 19 (MTY&BS)- Mahashivaratri festival was celebrated with religious fervour yesterday, with all the Shiva temples in the city conducting special puja to the presiding deity.

The main attraction was 11-kg Chinnada Kolaga (Golden Mask) adorned to Shivalinga at Sri Trineshwaraswamy Temple near Jayamarthanda Gate, within the precincts of Mysore Palace.

Likewise, the Gurukula of 101-Shivalinga that opens door once in a year on Shivaratri, Sri Kameshwara Kameshwari Temple (popular as Kama Kameshwari Temple), both on Ramanuja Road, Male Mahadeshwara Swamy Temples at Siddarthanagar, Sunnadakeri, Kumbarakoppal, Paduvarahalli, Halladakeri and K.T. Street, Amrutheshwara Swamy Temple on Dewan's Road, Chidambareshwara Temple on Dhanvantri Road, Chandramouleshwara temples at V.V. Mohalla, N.S. Road and K.G. Koppal, Shiva Temple at Srirampura, Mahabaleshwara Temple at Chamundi Hill to name a few were brimming with devotees throughout the day.

The highlight was Java Puja conducted at different timings — 6 pm, 9 pm, midnight (of Feb.18) and 3 am (Sunday) at all the Shiva Temples, as the devotees thronged in large numbers.

Srikanteshwara Swamy Temple at Nanjangud, popular as Dakshina Kashi, too had organised special pujas to mark the occasion.

Sri Ganapathy Sachchidananda Ashram on Mysuru-Nanjangud Road witnessed devotees in hordes, as Ganapathy Sachchidananda Swamij performed Abhisheka to the Linga in the presence of a large number of devotees.

Suttur Seer Sri Shivarathri Deshikendra Swamiji performed abhisheka and Ishtartha Linga Puja at Suttur Mutt at the foot of Chamundi Hill.

Bilva patra (Leaves of Bel tree), which is considered as favourite of Lord Shiva, was offered for puja by devotees, at the temples. The vendors selling bilva patra for Rs. 10 to Rs. 20 for bunch, made a brisk business.

Shivaratri Jatra at M.M. Hills

The Shivaratri Jatra at Male Mahadeshwara Hills was also organised on a grand scale. Male Mahadeshwara Swamy Kshetra Development Authority had made elaborate arrangements, anticipating a heavy rush of devotees.

Rudrakshi Shivalinga

The 21-feet tall snow clad Rudrakshi Shivalinga made of five lakh rudrakshis at Lalitha Mahal Ground, Alanahalli, by Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya, Alanahalli Service Centre, depicting Mount Kailash, was the cynosure of all the eyes.

As 'Jagarane' (Night vigil) marks the fulcrum of the festival, most of the devotees kept awake throughout the day by visiting the temples along with their family members.

Darshana of Sri Trineshwaraswamy in Golden Mask today till 9 pm

Mysuru, Feb. 19 (MTY& BS)- Unlike previous years, devotees can see Shivalinga decorated with 11-kg Chinnada Kolaga (Golden Mask) at Sri Trineshwaraswamy Temple at Mysore Palace premises, for two days, stretching from Shivaratri till tonight (9 pm).

Chinnada Kolaga remains the main attraction during Shivaratri, the tradition in practice since the then Maharaja of Mysore Jayachamaraja Wadiyar made the offering to the temple.

Following the birth of his son Srikantadatta Narasimharaja Wadiyar (the 26th titular ruler of Mysore) in the year 1953, the Maharaja donated the mask to the temple in 1954. Since then, it is a tradition in practice to worship the Linga with special pujas by decorating the idol with the mask.

On the eve of the festival on Friday (Feb. 17), the mask was brought from the District Treasury to the temple amid heavy Police security.

After decorating the Linga with mask on Mahashivaratri, the first puja between 4 am and 6 am was performed in the name of Mysore royal family member Pramoda Devi Wadiyar, her son Yaduveer Krishnadatta Chamaraja Wadiyar and daughter-in-law Trishikha Kumari Wadiyar. Later, the temple was opened for devotees at 6 am and was kept open till midnight.

As Mahashivartri is followed by Sunday, the general holiday, District Treasury where the mask will be kept remains closed on the day. Hence, the mask continues to adorn the presiding deity at the temple facilitating the *darshana* for the devotees till 9 pm today.

Separate barricades have been erected to enable the devotees visit the temple, without any hassles, from Jayamarthanda Gate of the Palace. Arrangements have also been made to distribute prasada to the devotees.

On Monday (Feb. 20) at 11 am, the mask will be taken back from the temple to District Treasury at 11 am.

Vidya Balan releases Mysuru-based author's book

(Continued from page 1)

In the Amit Masurkar-directed drama 'Sherni,' Balan is featured as an upright Forest Officer who is tasked to resolve the man-animal conflict.

"For (me) feminism is very different, knowing (my) rights and living life on (my) terms, all this constitutes who (I am); but for a woman in a village who has lived in 'purdah' or 'ghunghat' all her life, the first time she lifts the 'ghunghat' and walks, that is empowerment, in that context she's being a feminist." "Don't you think we are going through a time when we are having a very myopic view on this," the actress asked.

During the question-and-answer session, Vidya was asked if an end to the conversation around women empowerment would signal that equality has been achieved by society. The actor said that it will 'take a very long time'.

Maithili Rao is a freelance film critic and author of 'Smita Patil: A Brief Incandescence' which has been translated into Marathi. The anthology on motherhood, 'The Oldest Love Story,' co-edited with Rinki Bhattacharya was released in Bombay by Shabana Azmi.

Also seen are Minister for Minor Irrigation, Law and Parliamentary Affairs J.C. Madhuswamy, Vice-Chancellor of JSS Academy of Higher Education and Research (JSSAHER) Dr. Surinder Singh, Pro-Chancellor Dr. B. Suresh and Executive Secretary of JSS Mahavidyapeetha Dr. C.G. Betsurmath and JSS College of Pharmacy Principal Dr. T.M. Pramod Kumar.

Mysuru, Feb. 19 (GA&BCT)- India emerged as the world's pharmacy as her scientists not only invented breakthrough and potent vaccines for the killer COVID-19 pandemic but also were able to supply to the needy countries of the world despite the dominance and exorbitant pricing and hoarding strategies by the powerful nations, opined Kerala Governor Arif Mohammad Khan.

He was delivering the keynote address at the golden jubilee celebrations of JSS College of Pharmacy at Shivarathreeshwara Nagar in Bannimantap on Friday. Suttur Seer Sri Shivarathri Deshikendra Swamiji graced the occasion.

Arif Mohammad Khan further said that the two vaccines against COVID-19, developed by Indian scientists and doctors in record time and trusted by the world, will remain an endearing and epic stride in the history of Indian science, symbolising the Indian spirit of self-reliance. "India supplied vaccines and essential medicines to nearly 100 countries including the U.S. and European nations," he noted.

Praising the Narendra Modi Government for its fight against the pandemic, Khan said it is because of the 'Atmanirbhar' policy announced by the PM that the vaccination drive in the nation is in full swing. "The *Atmanirbhar Bharat* rekindled the spark of creativity and innovation. The spirit of *Atmanirbharta* or self-reliance has been deep-seated in the Indian ethos," he added.

Education without intelligence

"What India needs is education which takes the society forward in the right way. Education without intelligence is a waste. Education must give information and inculcate spirituality. It must bring changes in the life of human beings and must change our society," the Kerala Governor opined.

On the country's drugs and pharmaceutical sector, Arif Mohammad Khan noted that pharma exports from India had recorded an increase of 103 percent since 2013. "Our pharmaceutical industry is the third largest in the world that accounts for 20 percent of the global exports of generic drugs," he said.

This could be only achieved by institutions and centres conducting cutting-edge innovation and research in drug discovery, he said and lauded the contributions of JSS College of Pharmacy.

Minister for Minor Irrigation, Law and Parliamentary Affairs J.C. Madhuswamy presided over the event. Praising the efforts of mutts, he said that mutts and religious institutions in the State like the Suttur Mutt continue to contribute to Karnataka's status as an educational centre, he said that a State cannot match the contributions.

"We cannot set up such a scale of infrastructure that is required for education. In fact, the mutts are doing Government work here and this has been the tradition for decades, especially in Karnataka," he noted.

In his address, Shivarathri Deshikendra Swamiji said that the JSS College of Pharmacy started with 30 students in 1973 and now has a strength of 1,100 students, 54 teaching and 45 non-teaching staff. Prime Minister lauds Bandipur staff for saving injured elephant

'Such compassion among our people is commendable'

Mysuru, Feb. 19 (MTY&BCT)- Timely intervention and swift action by the officers and staff of the Bandipur Tiger Reserve in Chamarajanagar district saved the life of a female elephant that suffered a powerful electric shock on the night of Feb. 13.

The elephant, which was between 25 to 30 years old, had accidentally come in contact with a barbed wire electric fence on a private land near the Omkar Forest Range. Due to the impact, it lost balance and fell to the ground. Though it struggled, it could not stand on its own. It was lying in a dazed and exhausted state from the night of Feb. 13 till the afternoon of Feb. 14.

The staff and veterinarians quickly intervened, providing prompt treatment to the injured elephant including administering IV fluids and recovering medicines. The treatment lasted a few hours and the pachyderm was repeatedly goaded to stand with an earth mover.

Their efforts paid off as the female elephant was able to stand up on its own and walk back into the woods on Feb. 14 evening.

The elephant was treated by Dr. Wasim Mirza and his team of veterinarians for four hours. Others in the team were Bandipur Director Dr. P. Ramesh Kumar and ACF Ravindra.

The elephant is being monitored and a complaint has been registered at a Police Station against the private farm owner.

Prime Minister Narendra Modi was quick to praise the efforts of the Bandipur staff, commending their bravery and dedication in saving the elephant's life. "Happy to see this. Compliments to the staff at Bandipur Tiger Reserve. Such compassion among our people is commendable," Modi wrote on his Twitter handle.

The Prime Minister wrote the lines in response to a tweet by Union Minister for Environment Forests and Climate Change Bhupender Yadav, which said, "So happy to note that an electrocuted elephant, struggling for life, was saved due to prompt action by the staff of Bandipur Tiger Reserve. The female elephant has been released back into the Reserve and is being closely monitored. Our forest frontline workers are our pride."

Mysuru, Feb. 19 (PM&DM)- Senior writer Devanur Mahadeva said that in the wake of Assembly polls, an independent survey conducted by a study team led by former Karnataka Agricultural Prices Commission Chairman Prakash Kammaradi has found that there is a strong undercurrent against the ruling party, with voters fed up with it.

The study was undertaken in August-September 2022, he said adding that the survey was carried out in 20 districts, during which some interesting and amazing facts and figures were discovered on issues concerning education, social justice, gender equality, religious and caste divide and such other social issues.

Criticising Prime Minister Narendra Modi and Union Home Minister Amit Shah for their frequent visits to the State with polls round the corner, he said that Shah's visits have become so frequent that he is coming close to be called as the 'Home Minister of Karnataka.'

Town Hall multi-level parking lot near-ready

Ongoing works expected to be completed in a month, says MCC Commissioner

Mysuru, Feb.19 (GA&BS)- The parking issues in the heart of the city are most likely to be addressed soon with the ongoing works on multi-level parking lot on the premises of Town Hall expected to be completed in a month.

Almost all the works have been completed and only the works on the exit ramp are being finished now. According to the officials from the Mysuru City Corporation (MCC), the waterproofing of the first level of the parking lot will be done after checking if there is seepage during rains.

"We have to identify the places if there is a seepage that will result in flooding of the first level of the parking lot. If at all there is seepage, measures will be taken to stop it and at the same time, the waterproofing works will be done," an officer told *Star of Mysore*.

It is a decade-old project and has remained one of the most prolonged projects in the city. As finding a parking space for vehicles in the prominent commercial area emerged as a big challenge, the said project was launched 12 years ago for the benefit of both general public and shoppers alike which will boost the trade.

However, due to various issues, especially of the successful bidder, who secured the tender, the works were hampered, compelling the authorities to go for a re-tender. Though delayed, the works got a new lease of life and the final phase works were expedited, with the works expected to be completed in a month.

Parking lot works on the exit ramp are being completed now.

Separate tender for parking fee

Parking is allowed on the first floor of the multi-level parking lot and no charges are collected from users. After the completion of works, a separate tender will be invited to fix the parking charges. Now, the works have reached its final stage and the works will be completed in a month facilitating the opening of the facility to the people.

—G. Lakshmikantha Reddy, Commissioner, MCC

The multi-level parking lot can accommodate over 600 four-wheelers and more than 1,000 two-wheelers. Once the works are completed, the parking-related issues on D. Devaraj Urs Road, Sayyaji Rao Road, Ashoka Road, Palace, Gandhi Square and surroundings will get a solution.

Why delay?

The MCC proposed a multi-level parking lot project at an estimated cost of Rs. 18.28 crore and the tender was awarded to Hyderabad-based Chabria Associates. The MCC had even sanctioned Rs. 12 crore for the works.

However, following confusion and blame game that cropped up later, the works were stopped midway and the project was caught in limbo. The issue was also raised at MCC Council meetings several times.

Following the re-tender, the contractor took up the pending works and had to build additional ramps for the works like plastering, flooring of four-wheeler and two-wheeler parking lots, waterproofing and other works.

Though other works were taken up to avoid stagnation of water during rainfall by enabling the flow of water towards storm water drain and building of sump, underground drainage water started springing up when the earth was dug. Along with this, untimely rain and arrangements related to *Nada Habba* Mysuru Dasara festival, further delayed the final phase of works.

However, provisions were made to allow parking of vehicles at the first level of the parking lot during the earlier Dasara festival and also during Dasara 2022. It continues with no parking charge collected from the users. Charges may be fixed once the facility will be opened for use. On the other hand, plans are on the anvil to introduce a pay-and-park system on prominent roads in the city, which might come into effect after the approval of MCC Council.
